

Friends of the Library

Doing Well

31 Jan 1985

Our local Friends of the Library organization is alive and well. New projects are in the planning and previous ones have been completed, thanks to the help of interested members.

A planning and discussion meeting will be held on Tuesday, February 5th at 7:00 p.m. at the home of President Darian Shaw, 1326 E. 1200 South (east off Old Mill Road). Everyone is invited who is interested in Friends of the Library, either becoming a member or participating in up-coming projects.

The library has acquired two publications which will be of help to library patrons. They are the Bookfinder books, volumes I and II. The Bookfinder is a compilation of all the children's books by title, author, subject, and age groups published between 1975 and 1981. Each entry gives a brief summary of

the book and the values found in it. It would be particularly helpful to parents and teachers who wish to help children in specific areas such as sibling rivalry, coping with illness, drug abuse, etc. There will be a notebook with the Bookfinder listing which of these published books is available in our local library.

Other future projects are: a group meeting to assist the library staff by pasting card pockets in books that need them. (Anyone with an hour or two to donate can help with this one.) Friends of the Library will be sponsoring a gigantic used book sale at the flea market during Fair Days in August. Also included in that sale will be patterns and sheet music. So, start gathering yours together if you would like to donate and watch for notice of when and

where to take them in the early summer.

We will also be looking for volunteers to help at the library during summer story hours. We encourage anyone 12 years of age or older to consider this as a service project. If you're interested in participating in any of the above, please call Darian Shaw at 654-0744. And don't forget the meeting on Feb. 5th. Remember the Wasatch County library is YOUR library! It's only as good as you're willing to make it!
